there may be others waiting.)**

QUESTIONS: Please contact Sue Baker,
Maine State Planning Office at (207) 287-
8051 or sue.baker@Maine.gov

DIRECTIONS

From Interstate 95 Northbound/Southbound:

Take exit 2 (Wells) off the Maine Turnpike and follow signs to U.S. Route 1 in Wells. Follow Route 1 north 1.5 miles to Laudholm Farm Road (just north of the Lighthouse Depot and south of the Maine Diner, at the second flashing traffic signal). Turn right and follow signs to the Reserve.

ACCOMMODATIONS

Wells, Maine is a busy, beach-oriented, tourist destination. A variety of accommodations at different price ranges are listed at:
www.wellschamber.org/accommodations.htm

Participants requiring lodging are encouraged to make reservations ASAP.

Would you rather build this?

Or this?

This 2-day workshop is an intense, hands-on learning experience. Participants should possess a basic knowledge of building sciences. The course has been designed for local officials and professionals who are involved with coastal construction and will deal with the principles and practices of siting, designing, permitting and constructing residential buildings in coastal areas. Bring a calculator and be prepared to use it!

TOPICS COVERED

- Introduction and Course Overview
- History, Environment, Risk and Regulation
- Identifying Hazards
- Siting
- Site-Specific Loads
 - Flood Loads
 - Wind Loads
 - Seismic Considerations
 - Combination Loads
- Building Design
- Construction and Maintenance
- Written Exam
